

HONEYWELL PREMIUM 5321

SINGLE-USE MASK P3 WITH EXHALATION VALVE (1005602)

Description

Temporarily not available. Size M/L. ATEX. Large internal volume for ease of movement. Lightweight Masks (10g to 28g) minimizing user fatigue. Stapling outside the filtration zone to eliminate the risk of leakage. Ergonomic. Best individual adjustment using adjustable straps and available in medium-large and extra-large. Full Willtech™ face seal for even more user comfort.
