

SCORPION 2,8 SCAFF 65

SELF RETRACTING LIFELINE (FALL ARREST BLOCK) 2,8M + 1X SCAFFOLD HOOK AND 1X SNAP HOOK (1008588)

Description

The model Scorpion 2,8 Scaff 65 is currently not available. As an alternative we recommend the model Edge Kinetix 2,5m. 2.8m with 1 swivel snap hook 18 mm and 1 swivel snap hook 50mm. Extremely robust and lightweight, the Scorpion PFL features a fall indicator, corrosion-resistant internal parts, stainless steel / aluminium body and high impact polymer cover. Increased comfort of use : Light and compact. Freedom of movement : 2.8m working capacity. Security : Quick activating locking system arrests a fall within centimeters. Self retracting webbing system avoids the risk of stumbling. Versatility : Can be directly connected to the harness D ring. Benefit: Extremely robust and lightweight, the Scorpion PFL features a fall indicator, corrosion-resistant internal parts, stainless steel / aluminium body and high impact polymer cover.

Product details
