

DASSY® SETH S7S FO SC HRO SR ESD HIGHCUT SAFETY SHOE

Description

High-cut safety shoe DASSY® Seth combines safety with high-level comfort for construction professionals. This shoe complies with the EN ISO 20345:2022 standard. It has an abrasion-resistant scuff cap, an 'S' perforation midsole and a slip-resistant outsole. The dual-density sole made of polyurethane and rubber offers you excellent shock absorption. Features an HRO sole that is resistant to heat up to 300°C. Added bonus: the shoe is completely waterproof thanks to the Windtex® membrane. DASSY® Seth is a pair of sturdy boots in the DASSY® Safety shoes collection. DASSY® Anubis is a low-cut model in this product family and DASSY® Amon is a mid-cut shoe. Combine with DASSY® Ceres laces.
