

OSPREY CLEAR

SAFETY SPECTACLES (EPCE845C)

Description

The new Edge Osprey is a modern safety goggle that stands out for its comfort. Due to the adjustment options of the lens angle, these glasses always fit perfectly, which absolutely benefits safety. The two springs made of two components provide a comfortable feeling and optimal grip. The Edge Osprey has a Flexi-Fit nose bridge that ensures that it always stays in place. Even in the most humid conditions. The Osprey has an anti-scratch & anti-fog coating.
