

# WORKEASY BLACK PU

## POLYESTER PROTECTIVE GLOVE WITH PU COATING, FOR GENERAL HANDLING (2100251)

### Description

*Length: 25 cm. Gauge: 13. 100% black polyester knitted glove. Black polyurethane coating on palm and fingertips. Handling of fine products in a dry, slightly greasy or soiled environment. Benefit: The knitting technique helps to obtain a glove that conforms snugly to the hand, with good dexterity. The glove offers maximum comfort and added sturdiness. The tight knit gives the glove perfect support, limits the penetration of dirt and offers a good touch. The ventilated back and PU coating optimise the glove's breathability. Resistance: The polyester and its polyurethane coating provide a good abrasion and tear resistance. The PU coating ensures a good grip. Safety: Non pilling, the polyester fiber is suitable for precision work. The gloves are certified as "silicone-free" to ensure their use in painting. Hygiene: Its dark colour makes it more soilproof, thus ensuring a longer life.*

### Product details

#### Brand

- Honeywell

#### Material

- Polyester

#### Material coating

- PU

#### Packaging

- 10 pairs/pack
- 10 packs/case

#### Properties

- Coating on palm and fingertips
- Silicone free
- Extra large sizes available (XXL/11)
- Extra small sizes available (XS/6)

#### Stock article

- Stock article

#### Certification

- EN 420
- EN 388

#### Certification performance level

- EN 388 - abrasion resistance: 3
- EN 388 - cutting resistance: 1
- EN 388 - tear resistance: 2
- EN 388 - puncture resistance: 1
