

WOLF

WINTER BOMBER JACKET WITH DETACHABLE SLEEVES

Description

New! The Wolf pilot jacket is a real eye-catcher. Thanks to 2 fluorescent colour combinations, you will be seen from afar. Safety first! Moreover, the Wolf protects you from inclement weather. The knitted wind cuffs at the sleeve ends block the wind and the lining is comfortably warm. If you wish to cool down, you can remove the lining, collar and sleeves. The practical pockets on the inside and outside are ideal for storing (personal) gear. Wolf is a high-quality product from the brand Hydrowear. Available at a competitive price. For orders from 50 pieces, contact our customer service department for even more competitive prices!
