

1RT1 ROADRUNNER FLASH

HV CHAINSAW CHAPS, EN ISO 11393 CLASS 1 TYPE B, EN ISO 20471 CLASS 2

Description

The Roadrunner chainsaw protective chaps come in handy when you only use the chainsaw for a short time and chainsaw pants are just too impractical. The biggest advantage of the Roadrunner chaps is that you can put them on a few easy clicks quickly over your regular work pants or jeans. In warm weather, you can also just wear them over your shorts! Thanks to the adjustable buckles on the back, 2 sizes (M for sizes up to XL and L for all sizes XL and up) are enough to fit almost anyone. All we know is that they will protect you from cuts.
