CHAINSAW TROUSERS, CLASS 2 TYPE A

Description

This is a discontinued model. Please contact our customer service for more information. From the BasePro collection from SIP Protection. This collection offers an excellent price-quality ratio. This traditional class 2 chainsaw trousers are extremely resistant thanks to the robust PES/COT outer fabric and triple needle stitching in the back seam. The mesh fabric on the back of the legs ensures a good ventilation keeping you comfortable in hot weather. Fabric: Siopor® Ultra.
